T O T H E  
R E A D E R .

**T**HIS Auction Contains the Library of an Eminent Physician lately deceased, Improved with great variety of the Works of the most Modern, and Celebrated Writers in Physick, Chymistry and Chyrurgery, many of which as they are really scarce and valuable, having not hitherto been exposed to Sale this way; if therefore the Curiosity, and Usefulness of the Books will not court the Custom, and recommend them to the choice of the Ingenious of that Noble Profession, I despair of using any other motives that will in probability be effectual.

This Auction will begin on *Monday* the 30th of this Instant *August* 1686. at the Auction-house in *Ave-Mary-Lane*, over against the Black-Swan, from the Hours of Nine in the Morning to Twelve, and from Two to Six in the Evening; in which place the Books will be exposed to view Three days before the Sale.
